John and Joseph of Trinity Parish are listed almost adjacent, so they are probably close neighbors, and relatives. In fact, the 1814 will of Acquilla KING shows that they are probably brothers who both married daughters of Acquilla KING, respectively, Mary and Eleanor. Joseph appears to be a young married with a first child, a daughter. John may also be a young married, without children as yet, but with a younger brother and sister living with him; this younger brother may have been Richard, who married in FrederickCoVA in 1815 (the year after Acquilla KING died there), Lucy CORDER, who was probably a sister of the Morgan CORDER who married Acquilla KING's third daughter Louisar.

These early censuses were generally taken in the latter half of the year, so the absence of a son to John & Eleanor (KING) ALLEN named Zephaniah, supposedly born 28Jun1800, is not an anomaly.

The absence of any older Zephaniahs in the 1830-1850 USCensuses makes me suspect that the oldest male in both of these MasonCoVA households is John Allen, father of the Zeph born in 1800. It's possible that John and Zeph instead were still in FrederickCo for this census, but if not, MasonCoVA is a reasonable way station en route to Ohio, and the two households here could be explained by two pieces of land owned by John. The Frederick and Mason Co land and personal property tax records, and other county records ought to resolve this ambiguity.

There are 13 ALLEN households in FairfieldCo, but these two reasonably proximate ones are the only two in Rush Creek Twp. In particular, there are no Joseph ALLENs here, even though a couple of mug book bios tells that Joseph the husband of Mary (KING) brought his family to Fairfield about 1821. There are, in Fairfield, RoyaltonTwp, a Mary Allen (aged 70-80), and a Polly Allen (aged 50-60), but the first of these is too old to be Joseph's widow, and the household of the second has the wrong structure to match the children of this family named in the mug book bio of Francis M. Allen, namely, George, James, Joseph, Sarah, Betsy, and Eliza. There is, however, a household headed by a Polley Allen (aged 50-59) with the right structure in JacksonTwp, PerryCo, adjacent to RushCreekTwp, FairfieldCo, and Joseph & Mary's son, George W, is found in MondayCreekTwp, PerryCo, adjacent to JacksonTwp, to the south.

Steve Jacobs says that Rebecca here later married John A. Allen, a possible son of John3 & Eleanor Allen. I don't know about that, but I noted that on 4Apr1770 a son named Joseph Allen Gill was born to John & Susanah Gill, so its possible that an association between these families goes back to MD.

 * 1860 USCensus *

I can find neither William & Charlotte, nor Zephaniah ALLEN, in this census. Since both are missing, it's likely that they shared a household that was entirely missed by the USCensus, or that their households fell on a page or census section, that has been lost. However, I expect that the Ellenor Allen (82,b.MD) in the ClintonCoIA household of Elias & Catherine Nixon (probably Ellenor's daughter) was Zephaniah's mother, and Robert Allen (21,b.OH) was his son.

Ellenor is probably the widow of John Allen, father of Zephaniah Allen, and mother of Catharine (Allen) Nixon. Also in ClintonCoIA this year is Robert Allen (21,b.OH), farm laborer in the HampshireTwp household of Jedidiah R. Wanzer; this is probably Robert, born 23Jan1840, the son of Zephaniah.

This Charles Allen may have been a brother of Zephaniah. His household is found in the same place in the 1870 USC, with putative sons Jacob and John heading adjacent households. In 1870 Charles was 57, and still born in VA. "Nancy" Sr ("Nancy in 1870) here was born in New Brunswick, but in 1870 she was born in PA.; "Nancy" Jr becomes "Nancy A". "Carinda" here was "Clarinda" in 1870. Unfortunately, I cannot find Charles and his household in 1880, in VernonCoWI or anywhere, so we don't get to see whether he thought his parents were born in PA, as putative brother Zephaniah said that his were.

Rebecca, the wife of Jacob Silbough is presumably Z.K. and Margaret's daughter, born 19Jan1832, according to the family bible.. Margaret Allen here is probably Z.K.'s wife, supposedly declared insane, though that's not indicated here as it should have been; Clarence Jacobs says that local guardianship papers were filed for her in Feb1860, but there may have been a different reason for the guardianship. She may, for example, have been divorced, and Z.K. may have made a property settlement with her.

Although the first initial looks most like an "H", it's not formed the same was as the "H" in "Housekeeping", "Honish", or "Hallie" on the same page. "Z"s in older scripts are among the most difficult to decipher because they're so seldom used, but from the context, I infer "Z" both because it pairs with the "K" of Zephaniah K, and by default. The telling circumstance that aligns with this inference is the close proximity of William & Charlotte Allen, Zephaniah K's son and daughter-in-law.
